

WANT TO BECOME A LEARNING SPACE TRUSTEE?

Learning Space is a Surrey based charity supporting the mental health and wellbeing needs of children and young people. We are currently seeking committed and enthusiastic new Trustees for our Management Board.

Learning Space is based in Redhill, Surrey. We have over 25 years' experience of working with children, young people, and their families. The needs of the children and young people we work with are widespread and include anxiety, anger, low levels of confidence and self-esteem, bereavement, bullying, as well as friendship, and family issues.

Our team consists of around 30 highly skilled practitioners with professional backgrounds in a variety of settings covering education, social care, and health related fields. Our approach with each individual child and young person is to focus on building their self-esteem, confidence, and resilience so that they are better able to manage change, cope with the challenges in their lives and to celebrate who they are.

For more detailed, in-depth information about who we are and what we do please visit our website: www.learningspace.org.uk

- be part of the team ensuring that the charity complies with its governing document (its Articles of Association), charity law, company law and any other relevant legislation or regulations
- scrutinise board papers and provide guidance on new initiatives.
